<p>SESSION #5a: 1:40 p.m. – 2:40 p.m.</p> <p>Don't Be The Lone Ranger</p> <p>This is a practice management seminar designed specifically for solos and small firms. Based upon systems described in his book, <i>Run Your Firm Like a Business</i>, (ABA 2013) Frank Lockwood shows lawyers how to kick the bad habit of trying to do everything themselves. By showing lawyers how to work smarter, not harder, they will be able to free up to 1.5 hours per day which can help pay for all the help they need to liberate themselves from burdensome, administrative duties. He covers a wide range of topics including time, information and case management, telephone calls, employee hiring, motivation and evaluation, ethics and much more. He demonstrates how solos and small firm lawyers waste 25% of their time and lose up to 25% of their income doing these things the wrong way. Without working any harder or longer, Lockwood's systems will re-energize and revolutionize your firm's practice.</p> <p>Presented by The ABA GPSolo Publications Board</p>	<p>SESSION #5b: 1:40 p.m. – 2:40 p.m.</p> <p>Tech On The Move</p> <p>The New Wild, Wild, West—Tablets, Telephones, and Technology for the Mobile Lawyer</p> <p>Presenter: Will Harrelson Derrick H.
